

Online Open House - Live Now!

Glenn Highway MP 53-56 Reconstruction, Moose Creek Canyon Project No. 58013/OA1-5(25)

Online Open House: Live From September 10 - October 10, 2014

The project team is currently holding an Online Open House, that will be live through October 10, 2014, to provide an opportunity for interested individuals to review project's 30% design information at their convenience. **In the Online Open House, you can view the September 9th Open House meeting materials and leave comments for the project team.** The Online Open House will be accessible via the project website:

www.glennhighwayatmoosecreek.com

Comments on the project are being accepted through the online open house, by email to info@glennhighwayatmoosecreek.com, and via the project website comment form.

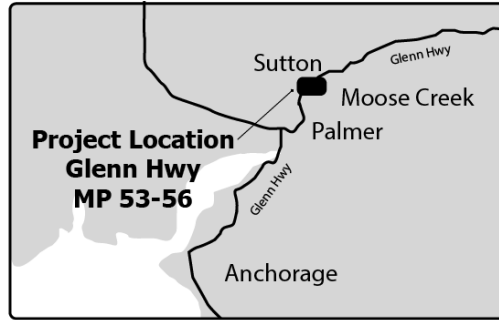

Comments will continue to be accepted after the completion of the online open house on October 10, 2014. The project team plans to hold another open house and online open house meeting when the design is 70% complete.

Materials from the September 9, 2014 Open House meeting are also posted on the project website's library page.

About the Project

The Alaska Department of Transportation and Public Facilities (ADOT&PF), in cooperation with the Federal Highway Administration (FHWA), proposes to reconstruct the Glenn Highway between Milepost (MP) 53 and 56, a section of road that currently has an

undesirable steep grade and tight curves with limited sight distances. The proposed realignment of this three-mile section of the Glenn Highway will require a new bridge over Moose Creek, approximately 2,800 feet downstream from the existing bridge. Design work and property acquisition is anticipated to last through 2018, followed by construction.
