On Thursday, October 22, from 4-8 PM, project team members from the Glenn Highway MP 53-56 Reconstruction will be at the 2015 Mat-Su Borough Transportation Fair at the Menard Center. Our project display, one of many at the fair, will provide an update on the project's design, scope, and schedule. The fair will also be an opportunity for the project team to solicit your feedback on the project and to respond to your questions. We hope to see you there!

**The fair is a free community event sponsored by DOT&PF and other public agencies, and is designed to provide attendees an opportunity to view information on many transportation projects underway in the Mat-Su Borough.
